Author has written 15 stories for Full Metal Panic, Naruto, and Black Lagoon.

Writing, reading, and editing makes me happy, but I'm strictly a hobbyist. I'll update as I am able, but it may take time some time between chapters. No story left behind!

If you have something to say, drop me a line, and if you are looking for more good reads from decent people, check out my Favorite Authors below.

**Special Request!** See any great Mao/Kurz or Chang/Balalaika fanart around? Made some yourself? Send me that link, please!
